Professor J. Lederberg
Department of Genetics
Stanford University
Stanford, California

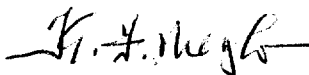

Dear Professor Lederberg:

It was indeed a great pleasure and privilege to meet you last Saturday. I hope that this will not be the last time; I will surely extend to you before long an invitation to have luncheon with me at the Family Club.

I hurriedly send you the reprints I promised.

With warmest greetings and best wishes,

Very sincerely yours,

K. F. Meyer, M.D.
